“ I remember all our golf outings at Countryview Golf Course. One evening as Sheenagh and I were playing, three men approached and said they were going to play through so they wouldn't have to wait for us. Sheenagh assured them that as soon as WE could play, we would not be holding them up. After watching Sheenagh tee up and hit a beautiful shot, I teed my ball up just praying to hit it. Sheenagh looked at me and said "Come on you can do it!" I hit a great shot and all three men nodded, acknowledging that we would not be holding up their game. They didn't catch up to us again because Sheenagh always played quick and efficiently ---- it also helped that she did indeed have a fabulous swing! It is a great loss to lose someone as wonderful as Sheenagh. She will be greatly missed.
