“ Shirley was my nursing role model since 1982 when I first met her. I wanted to be just like her as a nurse!! She carried this air of professionalism, wealth of knowledge, passion, fierce critical thinking and good old fashioned common sense. With a beautiful smile on her face and a laugh that I will never forget, she touched many lives. Thank you Shirley for being the best RN and kindest person. My deepest sympathy to her son and extended family. May you rest in peace 🙏
