“ Dear Shannon & John,

I'm so sorry for your loss. I wish I could be there with you, but please know I'm thinking of you, from Belgium.

Sonia meant so much to me. When I was living in Canada, she truly became my "Canadian mom." She had such a warm, open heart and always made me feel at home. I'll never forget that.

I'm really grateful Baziel got to meet her as well, he still remembers that day at the lake; one of your mom's favorite place! That memory is so special to me.

It makes me extra sad knowing we won't get the chance we were looking forward to—her coming to Spain one summer... I wanted to show her all the nice spots...

Grateful for the memories we have, but sad that we won't be able to create new ones with her...

Sending you lots of love and strength, from my family to yours. She will always have a special place in my heart.

“ Our heartfelt Condolences to all.... Our thoughts & prayers are with you! Sonja and I have been friends all the way back to grade school days... We had lots of good times as kids and into the teenage years!! This past summer we were fortunate to spend an afternoon together out on our pontoon... we had a great day and Sonja loved and enjoyed every minute of it... as we all did! We are so grateful for that day we spent together out on the water, lots of reminiscing, laughs and good food.... May you rest in peace dear friend, Forever in our hearts, as love lives on... ❤️ 🙏 Ron and Wendy Denning!

“ Dear Shannon and Mike, John and Claudia, Hailey and Spencer, Erica and Owen, we are so very sorry for your loss of your loving Mom and Oma. She loved you all to the moon and back! And she was always so proud of everything you accomplished -at school or at work or in life in general. We are only 2 of her many friends and we are so happy to have made the many beautiful memories we experienced with her. And we were so lucky to be at Sunny Beach with her for 5 years!
