“ Looking at this picture of a Sophia makes me smile and that is exactly what this amazing lady made me do every time I saw her and her husband Harm came into the store .I feel truly blessed to have met them both and their children . I 'm so truly sorry that in their passing this has made so many people sad, and I was when I was told of her passing but later knowing that Sophie was now with her true love Harm only made me want to smile again cause I know this sweet gentle beautiful lady is where she wanted to be . To her family I am truly honoured to have met them and shared some time with both . Thank you for a memory I will never forget . I light a candle in her honour . To the entire Vanderkley family .
