“ I had the privilege of working with Spencer during my time as a recreation therapy student at the Chatham Kent Health Alliance (continuing care). Spencer had a great sense of humour even on his tough days. A kind soul who was happy to socialize with any other patient who needed a friend. Dearest condolences to Spencer's family and loved ones.

“ *As a little girl, I remember visiting my Gram and sometimes going with my aunt to their house because my aunt babysat Spencer Jay and his brother. They liked playing baseball, marbles and board games. They were always polite and well-mannered. We are cousins and we got along well. My condolences to the family. May you be comforted in this time.*
