“ You were always the "Big Uncle", both fearless and feared as you demanded respect and followed your code. I give thanks that we got to know each other later in life and I got to know you as my Uncle and me as your Nephew. I will miss you and I pray that you have an awesome journey to the spiritual realm and that you join our ancestors in peace.

Much Love, - Mark & Verna Aquash and Children.

I rememered Stan from 50 years ago when he worked for Romol Corporation on the farm and I worked at Romol Elevator Clancy Siding. A very nice man.
