

## Steve Bilodeau

March 27, 2022

The light of our lives, Stephen Michael George Bilodeau and his zest for life will be lovingly remembered forever. He passed away too soon, but not before touching the lives of so many. With his family by his side, he gained his golden wings on Sunday, March 27, 2022 at the age of 59. Steve is the son of Marie and the late Gilles 'Gil' Bilodeau, and beloved son-in-law of Norris and the late Judy Hearn. Husband, "Darlin", and soulmate of Cheryl Bilodeau. Loving father, best friend and mentor of Chantelle Seton (Jonathan), Tyler Bilodeau (Lauren) and Chelsea Lapointe (Dillon). Dear Grampie "G" of Brantley, Sadie and Stephen. Brother of Paul (the late Jackie) Bilodeau and Linda Salisbury (John). Brother-in-law of Jody Daniel (Trevor) and Tammy Apter. He will be missed by his many nieces and nephews: Matthew, (Leigh-Anne), Michael S, Danielle (Dan), Michael B (Jillian), Makayla (Ryan), Cole and Chloe.

Steve was an electrical contractor by trade and an entrepreneur at heart. Beginning his career with his father and brother with Gil and Sons Limited, he later founded mPower, a commercial electrical business; Eternity's Touch, an innovative fingerprint jewelry business catering to the funeral profession; and Bildco, a local construction company.

Although Steve's dash on this earth was short, he lived every second, filling it with as much life and love as possible. There was no question about Steve's love for his family – he always made sure to say 'I love you' at every opportunity. He had an unparalleled love with his "bride" Cheryl, his true soulmate. They enjoyed nothing more than each other's company. They spent

their time “glamping” in their fifth wheel traveling North America, seeing the views and taking in many country concerts. They took their adventures international to many destinations including one of Steve’s favourite places – Tuscany. Here he enjoyed his favourite foods: spaghetti bolognese, red meat, and red wine. They loved their ‘oasis’ on Mitchell’s Bay, and spent summers blasting music and ‘ripping’ their jet-skis across the waterways, and competing for who could take the best picture of his favourite sunset views.

A family man to the core, his children and grandchildren were his pride and joy. From work to home, he enjoyed every minute. He especially looked forward to their Sunday Funday traditions. Whether snuggled in during winter to watch movies, or enjoying time by the water, there was no shortage of good food, stories and laughter. Steve wore the title of ‘Grampie’ with the highest honour, and enjoyed golf cart rides, many ‘airplane rides’, and hours spent “watering the driveway”. He loved to snuggle his ‘babies’ and give them all sweet nicknames, just as he did for his own kids.

Steve was born and raised in Wallaceburg, and was passionate about supporting his community. He was involved in many initiatives to stimulate and grow his beloved hometown. A philanthropist through and through, he always was extremely generous, and put others needs before his own.

Although Steve didn’t take much time for himself, he always enjoyed a good game of golf. As a scratch golfer in his teen years, Steve enjoyed golfing a round with his “bride”, with his boys on Thursday, and always looked forward to his yearly Golf Trip with his friends.

No time with you ever would have been long enough, we were blessed to have you as ours, and if love could have saved you, you would have lived forever. We know your love is like the wind, we can’t see it, but we feel it.

For anyone wishing to speak at the reception following the service, there will be an open mic to share your stories of Steve. Family and friends are invited for visitation at the HAYCOCK-CAVANAGH FUNERAL HOME, 409 Nelson Street in Wallaceburg from 2-4 and 7-9 PM on Thursday. A Funeral Mass of the Resurrection will be celebrated at Our Lady Help of Christians Church in

Wallaceburg on Friday, April 1 at 11 AM. Visiting, Funeral Mass and Luncheon reservations are recommended and may be made by clicking here > <https://simgnup.com/go/qRYrVVA> < or by calling the funeral home. The Mass will be livestreamed at [https://www.youtube.com/watch?v=A\\_n4uxBFleg&authuser=0](https://www.youtube.com/watch?v=A_n4uxBFleg&authuser=0) If desired, donations to Community Living Wallaceburg may be left at the funeral home 519.627.3231. “ *Dear Cheryl, Marie and family. Please accept my sympathies for your tragic loss. I still smile at the memory of Steve in High School Accounting class and his mischievous spirit in torturing our teacher and making sure the rest of the class was in fits of laughter. He was obviously paying much more attention in that class than Mr. F. ever thought based on the very successful businessman he became. I lost touch with Steve for many years, until about 10 years ago when our common friends M&M hosted a social event. He couldn't wait for me to meet Cheryl, and it was obvious the love and adoration he had for Cheryl and the love and pride he had for his children. His eyes truly sparkled when he talked about them. May the memories of him bring you comfort in the days to come.*

“ Dearest Cheryl and family, Jeff and I were so surprised to learn of Steve’s recent illness. I went to school with Steve from Grade 7 onward. He was popular and liked by everyone. We got to know both You and Steve and your beautiful family best at Holy Family Church. You guys always sat in the pew in front of Jeff and I and the boys and my mom and dad. It was a nice routine to all be together for Mass every Sunday. Please except our heartfelt condolences for all of you at this time. May the good Lord and our Blessed Mother give you much love, peace and comfort in the days, weeks and months moving forward. All our love, Bev and Jeff Beselaere. Hugs.

“ There are no words that can adequately express our shock and sorrow at the loss of a truly magnificent man who meant the world to his family, his legion of friends, and his community. I had the great privilege and honour to act for the Bilodeau family for over 42 years and as such, I watched Steve grow from a teenager into an incredibly talented and courageous business promoter who left everything he touched infinitely better, while at the same time, finding time to devote to the family that he loved so much. His zest for life, his pride in his family and his community were beyond measure. He was the best!

The whole Bilodeau family has suffered so much loss in the last while, and we know that a truly appreciative community will join us in supporting them with all that we can offer. They deserve every bit of what we can give.

With love, respect and gratitude,  
John and Diana

“ *To the entire Bilodeau family,  
I will cherish my late calls and early meetings with Steve. I will also cherish his wisdom, confidence and passion. It's hard to drive through "his" Community without remembering something he didn't have a hand in. He lead by example and was first to step forward when something needed to get done. His family was his greatest achievement and I'll never forget him holding those grandchildren. True love. I'll remember Steve as someone who believed in his Community and fought for it passionately. He was never afraid to call someone out, but also prepared to sit down at the table and figure it out. Our Community has lost a Champion. I'd like to thank you for sharing him with us.  
I will cherish him and his legacy forever.

“ *There are not enough ways to express our broken hearts at the passing of our dear friend Steve. We came to know Steve and Cheryl and their family on a spur of the moment tubing weekend spent with all our little kids in Collingwood over 25 years ago. That weekend was the start of the wonderful friendship we cherish to this day. Many an outing and many a campfire talk we have had solving the world's problems! We have witnessed a sincere, loving and devoted husband and father in Steve. He was always concerned about his family and his community. We have shared so many good times and have also been there for each other in times of need. Cheryl, Chantelle, Ty and Chelsea - know that your father will live on through the love he has showered over you, and he will live on in a special way in you, and all of us who knew and loved him. To his Mother Marie, his brother Paul and his sister Linda - we share in this tremendous loss and offer our sincere condolences to all of you. “ Sincere condolences from Michelle and I. The entire Bilodeau family, from Marie and Gil to Steve have meant and continue to mean so much to the positive future of Wallaceburg. Steve was an excellent business person, smart, savvy, articulate and professional. It may be an old cliché but Steve was a mover and shaker and our community is a much better place because of him. Personally I will miss him most because whenever there was something that needed to be done or a cause that could use a boost he was always on the top of my call list and he never said no. Every community needs more people just like Steve Bilodeau. Michelle and I are profoundly sad that our community just lost one of our own. These are difficult times for the Bilodeau family and many others but just remember for the time Steve was with us he definitely left his mark and we will always remember what he meant to all of us and our community.

“ We first met the Bilodeau family many many years ago when Smitty and Gill golfed together at Baldoon. We had lots of family time with them at Paul Bunyan camp and watched the kids grow up. The Bilodeau kids were great and fun and were so nice to our kids. The last time I saw Steve was at a Bike ride for Community Living and gave him a hug and he looked at me and said "You have to do better than that I have know you forever", so we laughed and had a big hug. Steve spent his years well obviously and was such a great guy, my deepest sympathy to all the family. I will always remember that HUG

“ I am still in shock. My kids, Chris and I always felt extremely welcomed in his home. The kids had no problem just walking over to Steve and Cheryl's and jumping off of their dock or into their house to use the washroom. Rebecca says « he made me laugh », Patrick loved « when he let me fish off of his dock » and Isabella loved « how he played cards with me ». The kids made sure to add a special prayer for Steve during these last hard weeks and we will continue to do so. « Dear God, please send down some guardian Angels to watch over Steve and his family as they navigate these hard times ». He didn't hesitate to offer anything when in need, whether it was electrical advice when building our new home or lending me equipment when I went off to Haiti. We shared stories about our love for country music. It was a pleasure to watch him around family as it was extremely apparent how much they mean to him. My mom and Glenn spent many a nights with Steve and Cheryl and Rob and Mary playing cards, eating and making fun of each other. They are quite the street family. He made you feel apart of the family, and that is not to be taken lightly. They are his everything. Your smile, your hugs and your warmth will be missed Steve. I pray your family finds strength in all of the good memories. Love, the Robson Gang xoxoxo

“ Stella and I would like to send our deepest sympathies to the Bilodeau family . I didn't know Steve for a long time but for the time I did know him I found him to be the most standup person in my life and by his work ethics I found in the future for me too be and treat other people as you would have them treat you and acknowledge to people a job well done as Steve would do with me the times that I had a chance to just talk to Steve when he wasn't so busy we were just talk about different things but one thing he did say to me is that when he laid his head on the pillow at night he had no regrets how he treated anyone or how he talk to anyone and I just found him a very thoughtful person he always knew when he text me or called me I was always going to be there to do what he wanted me to do and he always trusted me no matter if it was going in to one of his businesses or if I needed to get some thing I knew that he had no problem with it that I would just take care of it he will be sadly missed and I'm glad I met this very caring man
