“ I grew up next door to my cousin and we became life-time playmates along with the rest of the ghetto kids. We sure had some fun times sitting in the ditches singing, playing hide-in-go-seek around the new builds and skating back the hills. Our memories continued throughout our school life and most recently via FB where we would discuss a range of topics - I enjoyed those times and will miss our late night talks. She always signed off, "Love you cuz" and I would sign off the same. May her husband, children, gchildren, family and friends find peace of mind and comfort with the knowledge that she will always be with them.

“ I am so very sad to hear of Susan’s passing. I remember growing up with my cousin Gip ( Ronald ) Susan’s dad and being a pesky little cousin when he had a date with Sharon. After they married and had kids, I and some of my siblings would visit Gip and Sharon and/or babysit. I see her dad’s smile in the picture that is posted and I know that she was welcomed into the arms of all the loved ones who have passed before her. Rest In Peace “Sudsey” and my condolences to your family.
