“ *My deepest condolences to the Persyn family. Working with Sue at Shoppers, I saw her dedication and work ethics and also how she loved her family. We had many talks on our breaks about weddings and grandbabies, something we both shared recently. I enjoyed working with her and I am going to miss her as I know you will.*

Our thoughts and prayers are with you John, Nick, Ian, Emma and the rest of the family. We have great memories of the family and Sue. Sue threw me a surprise baby shower that I almost didn't make it to and how Sue loved Christmas. She taught me how to maximize the wrapping paper and she made it look so easy. Even when she was technically done shopping, she'd still pick things up if she thought you'd love it. Sue was a lot of fun and she will be dearly missed but never forgotten as her memory will live on in all of us that knew and loved her.
