“ May your memories be blessings. Sylvia was a very kind, inspirational woman and I enjoyed a few good chats over the last 15 years. She really was one of those people who could build you up, make you think in ways that never occurred to you, was very very caring about virtually anything you cared about and if one word could sum her up I would choose advocate. She spoke you listened, learned and benefited. The world is going to be different now but I'm going to remember every sage word she gifted me with and try to be a good citizen of mother earth as Sylvia encouraged us all to be.

“ Sylvia Deleary was a grand Anishnaabe Kwe; well known and respected within our community. I had the opportunity to work with her for a great number of years as a coworker; within our local elected government; and as a friend. Sending my condolences to her family and friends ❤️🙏
