“ So deeply saddened with the loss of Taj. She
was a silent but strong, resilient and brilliant
young woman. I had the great privilege of
knowing Taj through the CYC program and
thank her for her contributions to our class
discussions and learning. Keeping her family and friends in my
thoughts.

“ Tahj,

You were the best friend I could have asked for. You were kind, caring, and loyal. Every day, we talked, and every day, you lit up my life. You had faith in me, even when I did not have faith in myself. I can't begin to express my grief, but I know this: you were a person full of love, and even though our time together was short, you touched me in the deepest place of my heart. I will miss you with every fiber of my being.

With love,
