“ *I remember the first time that I saw/met Tanika and her two sisters. I can't remember if Faith had just given her a bath or was about to give her a bath, but she came busting out of that trailer, in her birthday suit, I might add. Right behind her was her sister Corissa was right behind her, in just a diaper, next came her other sister Chey, who was the only one who was dressed of the dianamic Trio, and when she smiled at me, she was missing all her front teeth!!! I busted up laughing!!! I can't believe that was 24 years ago! WOW! I miss you girls and love you lots!!!*
