

## Ted Westbrook

March 28, 2026

Harold Edward “Ted” Westbrook will be remembered as a kind, thoughtful, and deeply caring man whose presence left a lasting impact on all who knew him. He had a rare gift for bringing light, warmth, and colour into people’s lives—just as he did through his beautiful artwork and his lifelong passion as a florist. Through his work as founder of Westbrook’s Flower Shoppe, Ted not only built a business, but created a place that brought joy to the community he loved. Ted had a way of making everyone feel seen and valued, and he truly brought a smile to every room he entered. His compassion, and generosity touched countless lives, and his legacy will live on through the many people he inspired.

At the heart of Ted’s life was the deep love and devotion he shared for 56 years with his lifelong partner, John Thompson. Their story was one of enduring love, meaningful adventures, and a life beautifully shared.

Beloved son of the late Eva Westbrook (late Olav Anderson) late Mike Westbrook, brother of Richard (Bonny) Late Phillip (Nelly), a cherished nephew, cousin, uncle and great uncle to many.

Together, Ted and John created a family of their own, becoming father-like figures to Mark (wife Janice), and proud grandparents to Danielle (Jeff, Dallas, and Kinley) and Michelle (Bill and Ozlo).

Ted held dear friendships with David & Vicky, Sharon & John, Brad & Moira, Kym & Paul, William & Teri, Kevin & Irene, Nancy, Eleena, past and present staff of Westbrook’s, and many others who were touched by his kindness and

generosity.

He found great joy in love, companionship, and the simple moments that made life meaningful. His handmade cards—each one created with care—will always be treasured by those lucky enough to receive them.

Eleena, whom he fondly admired, is continuing his legacy through Westbrook's Flower Shoppe, carrying forward the work that meant so much to him and made such a difference in the community.

Ted will be dearly missed and forever remembered. To have known him was a gift—he was a remarkable man whose presence, creativity, and kindness made the world a more beautiful place.

Private family arrangements have been entrusted to the Haycock-Cavanagh Funeral Home, 409 Nelson Street in Wallaceburg (519-627-3231).

If desired, donations to The Terry Fox Run site #109 Wallaceburg may be left at the funeral home.

I remember the time he stopped by with one of his beautiful home made cards with a note in it to thank me for my outside Christmas decorations that brought him so much joy and lifted his spirits. “ Ted was a ray or sunshine in our community with his bright smile and conversation whenever we run into one another around town. He was like an old friend . I got to know Ted while I worked in the retail business in the core area of Wallaceburg many years ago. I will miss our chats while both out and about running our errands. “ As a child I was always excited to know you would be coming to visit us during one of our many long-distance treks to Grandma Jo’s for the summer or Christmas holidays. You always brought flowers for Grandma and something to make us kids smile. Your jovial personality and playful sense of humor made us laugh and you would always jump in and join us in having fun. As I became an adult with a family of my own you continued that tradition and brought the same joy and fun to your great nieces (Maya, Mackenzie, and Morgan) during our visits over the years. Often you would even let the girls convince you to sleep over on the couch at Grandpa’s versus heading back to your nice comfy hotel, a true sacrifice to show how much you cared 😊. Although we lived far away, you kept us in your life through emails and “fancy” homemade birthday and x-mas cards with silly pictures of your adventures, always bringing a smile and a laugh. I will fondly remember our late-night conversations and family advice at the farm and condo, and I am glad that my children were able to experience you in their lives. Farewell Uncle Ted, I know you have been united with your eternal partner John, and I am sure you have already embarked on your next adventure. You will be missed and remembered always. Love, Michael Westbrook (your favorite Nephew!)

“ Dear Uncle Ted

*In trying to find the words to describe the wonderful, loved person you were, I found a video of when we were burying Grandpa Olav with Grandma Jo. Your wonderful, beautiful and kind mother who you inherited all the good you shared with your family and community. You said*

*“Caring means love “. You showed that in every flower arrangement , in every hand written note , in every phone call, in every smile , in every kind word , in every story, in every thoughtful moment of listening and being there. Sharing moments of pure happiness and the most heartbreaking of grief. You cared and you loved deeply .

“ I can still remember Grandmas face lighting up at the farmhouse whenever Uncle Ted arrived, always carrying fresh flowers and sharing lively travel stories. I loved getting hand written letters and pics about his and Uncle Jon’s adventures. I attempted my first flower arrangement in the early stages of Westbrook Flower Shoppe and quickly figured out I did not have my Uncles talents. Heaven has truly welcome an angel. Angela Westbrook

“ Our sincere sympathy to Mark, Janice and families. We enjoyed many happy encounters on the streets in our area when Ted was walking Marks dog and we were walking ours. Ted always had a story to tell. On the occasions we came across Ted and John on their front porch they always had stories about where they had lived in the past and places they had travelled to. May you rest in eternal peace Ted as you join your cherished John. Wallaceburg has lost a valuable and much respected member of our community.

“ I can clearly recall my first meeting with Ted. John was a close friend of both Ed and I. He was working in Toronto and would occasionally give us a call to say: "You put on the roast and I'll bring the wine". It wasn't unusual for him to bring a friend, but on this occasion, as he came in the door, he said " I'd like you to meet Ted, we had a bit of a shock last week, for a while, we thought I was pregnant!" Ted turned beet red as we roared with laughter, but we soon made him feel at home and comfortable. I think we were the among the first people to meet him. Their lovely sense of humour never left them.

“ Ted was an incredibly gifted florist and designed his arrangements with so much panache, creativity and flair. Most important, however was his wonderful personality and he was a dear friend to so many. Ted was a very hard worker and was not afraid to take on new projects especially involving his beautiful home and gardens and his talent was obviously reflected in his design.

“ Ted - His name itself is a memory of warmth , love and laughter. He had such a love of life laugh. He was gifted in arts and in his selection of words to describe anything. His love for his beloved “Westbrook” store was ever present and an accomplishment in the business world. I will miss the memories you shared of growing up since you were 18 years older than me and I was the youngest first cousin. You knew of how close our parents were. May you be walking through a field of tulips with the sun shining brightly on you - you were loved by many. Rest well, Ted
