“ *To Terrance’s family. You raised an amazing young man. This past summer, Terrance did an awesome job levelling gravel on our driveway. He was not only professional as a Public Works employee, but he respectfully took the time to listen to my husband’s many stories. Whenever, we saw Terrance, he always acknowledged us with the biggest smile and a polite “hello”. Sadly now, both my husband and Terrance have left this earthly world. They are two beautiful angels watching over their loved ones. I have no words to share with you that will take away the pain and sadness you feel. It is going to be a daily struggle. Terrance left you a gift, his beautiful daughter who will need your love and hugs more than ever. My most sincere condolences to Terrance’s family.*

“ *I worked with Terrance at the Walpole Island Pharmacy. He was dependable, hard working, and easy to get a long with. In all my time there, he rarely missed a day of work and was never late.*

*He always had a smile on his face and his laughter was contagious. He was a practical joker and got us to have fun.*

*He always talked about his family with love and admiration. His daughter was the centerpoint of his life and he couldn't wait to share stories about her. His face would just light up whenever it came to his daughter.*

*Over the past few years he would often come to visit me at my store. He would tell me about his family, new adventures, and new job. I always looked forward to his visits.*

*He will be sadly missed by all he knew him. My condolences to all his loved ones.*

“ We called him Lil Tee. He'd always update us on the progress of his new home being built. This small talk opened up the door for many conversations about God's Glory n saving Grace. Lil Tee listened intently, even though he had much to do, as he was working at the pharmacy. We're going to miss our talks. That smile 😊, could light up a room, wow. Our sincere condolences to the families. May the Lord strengthen yous and hold yous close. Amen
