“ *Our thoughts are with you Dodie at this time. We will miss his lovingly prepared meals and his humorous demeanor. He was a good man and will no doubt be God's handyman installing kitchens beyond the pearly gates. Thinking of you.*

“ Praying for peaceful rest in the arms of Jesus for Terry and sending love and peace to Dodi and the family. From Casey and Michelle. Remembering many happy years playing with Terry in music ministry at the Calgary Live-in and the Ascension Choir and prayer group, And the Friday night jam sessions at his house until dawn, playing everything from praise and worship to rock, country, folk and blues. One special song we played at most every jam and rehearsal was "Together" by John Wimber "Brothers and, sisters we, are all one, in the Father and the Spirit and the Son, and I know that we will always be together, through all eternity, together. I am yours, you are mine we are one." Save me a spot in the band old friend.
Love, Casey

“ Hadn't seen nor heard from Terry since high school - still a shock 44 years later when you hear/see that you lost a friend. It sounds like Terry received as much, or more, joy and love throughout his life as I know he would have given! He was one of the good ones, a good soul! Our condolences to the families and may the loving memories of Terry in your lives continue to brighten your days when you think of him or add him to your prayers; Terry will definitely be smiling back at you!

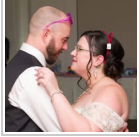

God Bless and keep this soul of the faithfully departed. May he rest in peace. Steve & Michele (Knazook) Brent

“ *My thoughts and condolences are with Dodie and the family. My favourite memory of Uncle Terry was getting to see his studio and his sheep when I met him for the first time in Alberta. I'll always remember his warmth and kindness.*

“ *We were shocked and saddened to hear the news of Terry's passing. What a wonderful man, friend and community member. You touched so many lives and made a difference during your time here on earth. I admired your passion to live life to the fullest and your strong faith. You will be missed. I was proud to be known affectionately (and jokingly) as one of Terry's many 'mistresses'. Dodie you are in my thoughts prayers.*

“ Dearest Dodie, Craig and Charlotte and ALL of your beautiful family, we are so sorry for the great loss of Terry, a loving husband, father and grandfather. And a sincere, kind and faithful FRIEND to all of us. How we will all miss him at the community meals cooking those tasty dinners and feeding his hungry flock. One of the most memorable times we have had with Terry and Dodie is the honour to attend Terry's Tapas-delicious food, fantastic entertainment, music and dancing. Rest peacefully now Terry-God be with you-from Mary and "Grasshopper"
