“ To Thelma's family, We would like to take this time to let you know how very lucky you's all were to have such a beautiful person in your lives and in ours. We loved coming over to the house and always receiving a smile and hug from Thelma. That always gave the pleasure to bring her treats for the shorties. I myself will dearly miss that but I will always carry on the new tradition of taking a little something to the family . Thank you Thelma for allowing us to be apart of your life. You will always be in our hearts forever . Sadly missed but never to be forgotten Bill and Kari
