“ *Please accept my condolences to your entire family. Tom was probably the best teacher I ever had. He was a quiet man, but when he spoke, you paid attention. He gave me a lot of encouragement in English class. So sorry for your loss!*

“ I first met Tom at a shapenote singing in London, Ontario a number of years ago, and since then I would always look forward to seeing him and Jo at our annual Ontario singings. The bass section won't be the same without him.
