“Mike, Sherry and family. Your loss is unimaginable. I remember when you and the 3 boys moved into our neighbourhood. Tim was very young. He came over to our yard to introduce himself and said “Hi. I’m Tim and we are the Lucier clan!” I chuckled and said “Welcome to the neighbourhood!”. Our boys spent many hours playing together in the empty lot next door. Hold on to the memories. Sending love and hugs.

“ Dear Sherry, Mike, Luke, Shaun, Jeff, Melissa, and extended families:
I offer my most sincere condolences to Tim`s loved ones. For about 12 years I have lived beside the most amazing neighbour and young man I have ever known. Anything I ever needed Tim was there for me.

Missing you very much Tim. I may have never told you but I am telling you now. You were not just neighbour. I also considered you my special friend. You know the kind. If you were blessed they came into your life maybe once or twice. Well, I was truly blessed by your kindness .

“ Our condolences go out to Mike, Sherry, family, and friends of Tim's. As well as a customer of ours, Tim had cut some trees for us a couple of times. I marveled when Tim was out last fall to cut down a large oak tree for us. It was a very tall tree and he was so careful to position himself while cutting to be sure not to get hurt. A 25' or 30' trunk still stands. He had asked if he could cut it down at a later date. He had wanted to use the wood to build oak cabinets for the kitchen in the house he had hoped to build some day. We will now think of Tim each time we gaze across the yard at that tree trunk.
