“ What a Angel he will be in the heavens above us,but is a great loss to the ones that are still here.He was a man with a great smile and heart that everyone loved.He always had a open arm for the ones who needed it and always made them feel important.He always put others before him and never thought twice about doing so.I will remember our laughs together and never will forget,if anyone who did not know you missed out on such a wonderful man.I'm going to miss you Todd and you will never be forgotten and for everything you've done for me you will always hold a special place in my heart...My thoughts and prayers go out to the family and friends.Now i know when i look up in the sky that the most wonderful ANGEL will be looking down on us.

“ We are so sorry for your loss! Todd was always one who was willing to share a funny story and smile to brighten our days!! There were many times when we would call for a cab and be delighted that Todd was the one to pick us up. He was always warm and friendly and we enjoyed our chats with him. We are so sad to hear of his passing. Our thoughts and prayers will remain with Miriam and all of Todd's family.
