“ *With warm and heartfelt sympathy. This is Tom's oldest cousin Jane Rutila Grose. My mother knew Tom and had conversations with him about his years in the Navy. She would tell us about his journeys.*

“ *My sympathy to Tom's family and siblings on his death.
May he rest in peace.*

As our fathers were brothers I spent a couple of weeks at the Devin farm during the summers when we were both youngsters. I enjoyed the farm life and especially the local farmers getting together for thrashing and the women providing great meals out of doors. As Tom was five months my senior he believed that I needed to be frequently shown what was the correct response to all these rural experiences.
