“ Dear Tracey, I will always remember spending time with you and Paul at Brucedale. What a blast. When I met you, I instantly felt you were family. You shed light on every visit, you encouraged Jamie to show my wife around the place and he may have been 6 or 7 years old. You would always include us to what ever you guys were doing. Fish fry, camp fire's, conversations and Tims runs and more. Loved "made in England" and will never forget you.  
To Tracey's kids and Paul. Our deepest condolences and best wishes to get through this sad time. Thinking of you all.  
Love Craig, Pamela and Karina Batte

I liked this lady from the moment I met her. She was hired to fill in for me when I was away from work for a few months. So glad she stayed. She was juggling 2 jobs at the time. She choose to stay at Fairfield. She made our workplace a place of joy. Her endless ways to make us laugh. And she was sympathetic and loving at the same time. Love you Tracey ❤️
