“ When my family and I moved into our 4 bedroom townhouse I knew there was no way Id live there long. I hate neighbors. I hate apartments. I didnt like the thought of living so closely to anyone. Then I met Val and couldnt have asked for a better neighbor. Im going to miss those random phone calls to talk about absolutely nothing whatsoever. Or when she just wanted to point out 'that girl needs a whoopin'. Rest in Peace Val. And our condolences to her family.
