“ My condolences to Val's family. She spoke fondly of you. I met Val when I worked for a short time at the County. She was always pleasant. One day we drove together on very icy roads from Sarnia to the county buildings in Wyoming. Sincerely, Robin D.

“ My condolences to Val's family. I worked with Val at the County and she was the nicest person to work for/with. We also enjoyed the occasional dinners out after her retirement. I haven't seen Val since she moved to Wallaceburg, but kept in touch with Christmas cards which I will miss. Your family has lost a treasure, but I'm sure Val will be remembered with love.
