“ *We'll miss seeing Vicky in our surroundings. It was always a pleasure to see her in the community or at the health center. Vicky made many contributions to our community both through her position at the Health Center and as a stand out person in the community. She always carried a bright smile on her face. We didn't talk that often but when we did it was an very enjoyable conversation. We all can rest assured Vicky will always be in the hearts of her family, friends and our community. RIP our dear friend.*

“ *Thank you Aunt Vicky for all of your love a support over the years... you are a beautiful soul that is now at peace, without pain. One of my fondest memories or lessons I learned from Vicky is that “you’re never to old to make a change or an improvement” that is what she said to me when I said “you’re too old for braces”*
