“ *RIP Grampa  
Always loved - Never forgotten*

*We knew so little that morning, that God would call you name. I'm life we loved you dearly, in death we do the same. It broke our hearts to loose you, you did not go alone. For part of us were with you, the day God called you home. You left us beautiful memories, your love is still our guide. And though we cannot see you, you are always by our side. Our family chain is broken, nothing feels the same. But as God calls us one by one, the chain will link again.*
