

Victoria Baertsoen

May 21, 2023

Victoria Baertsoen of Wallaceburg passed away suddenly in a car accident on Sunday, May 21, 2023 at the age of 24. Victoria is the beloved daughter of Christopher & Kerry (Dixon) Baertsoen. Loving younger sister of Alicia Baertsoen (Kyle Allaer). Dearest granddaughter to Norbert & Rose Baertsoen and the late James & Margaret Rae Dixon. Cherished niece of Michelle & Mike Decock, Pierre & Joanne Baertsoen, Dawn (Dixon) & Darryl Baxter, Darcy Dixon and Leigh Ann Dixon. Victoria was a ray of sunshine, so loved by her many cousins and friends, especially Kylie Aubie and Kenya Dell. She will be dearly missed by her precious cat Koda. Victoria was a Teacher for the St. Clair Catholic District School Board and employee at Sombra Township Childcare. She also volunteered for the Chatham-Kent Youth Social at the Linck in Chatham and recently worked at the Oaks Retirement Village, where she was adored by the residents and their families. She was a talented and passionate dancer and a graduate of W.D.S.S. Victoria earned a Bachelor of Arts with Honours from Western University affiliate, Kings University College, completing a double major in Childhood and Social Institutions and Sociology in 2021. She completed and was graduating with a Bachelor of Education from Windsor University. Victoria lived a short but noble life of service, caring for children and the elderly across the community with empathy, kindness and love. She was known to have a smile that could light up every room, a contagious laugh and the biggest heart you could ever imagine.

Family and Friends are invited for visitation at the Haycock-Cavanagh Funeral Home, 409 Nelson Street in Wallaceburg, from 3-5 & 7-9 PM on Thursday and Friday. The Funeral Mass of the Resurrection will be celebrated at Our Lady Help of Christians Church on Saturday, May 27 at 11 AM. Interment to follow at Riverview Cemetery and reception at the UAW Hall to celebrate Victoria's beautiful life and upcoming graduation for invited friends and family only. If desired, donations to The Linck Drop In Youth Group or PAWR Rescue may be left at the funeral home 519.627.3231. Cherished stories and tributes may be left for the family at www.CavanaghFuneralHome.ca.

“ Dear Kerry and Chris. I have no words to express my sadness at the loss of your beautiful daughter. At such a young age, she was already sharing her gifts with her community- such a tribute to you two and the way you raised her. To me, she will always be 10 years old, sitting on your knee at the Oak’s when we teachers would meet there for after school "book club." Know that you are in my thoughts and prayers at this solemn time. Sharron Gore

Sending you condolences on the loss of your daughter, Victoria. I can't imagine what you, Chris and your family are going through. There are no words that can be said to help you and your family through this loss. Nothing can be worse than the loss of a child.

At our “wreck” reunion you were glowing telling me about your family. Reading about Victoria and watching the video brought me to tears. An amazing young lady you inspired and raised!

You and your family are in my thoughts and prayers.

“ To the Baertsoen Family, please accept my deepest sympathies and condolences for your loss. Victoria was in my PJ Science Methodology class over this past year. She was a sincere and dedicated student and educator who stood out, for me, with her notably cheerful demeanour and vibrantly positive presence and optimism. She always seemed to see the best in the children she taught and was passionate about meaningfully engaging them. She will be greatly missed. May Almighty God heal, comfort and guide your hearts through your grieving and through this very difficult time.

When we heard about devastating news of Victoria's accident, we could not even fathom the words we could say that could bring you comfort. However my sister in law told me that you always have to remember that a child loves unconditionally and lives in each and every moment. I can now see from the video and hearing stories it seemed like this was your Victoria to a tee. Please know that your Victoria had the most beautiful and wonderful moments and memories with you. Each family moment is a treasured memory within your heart that can never be taken away from any of you. Prayers and love from afar.

“ *Chris, Kerry and family, my deepest condolences to your family and friends over the loss of such a beautiful human. Victoria was kind, outgoing, welcoming, friendly and sincere (among many more endearing qualities). She was a natural fit with the students and staff she came into contact with during her days in the classrooms and had the unique ability to get along and easily conversate with everyone she came into contact with. Victoria was a blessing and this tragedy brought on an immense loss that will be felt over lifetimes to the community, our school board, and multiple people/ friends/ family lives. I am so very sorry that this unbelievable accident happened to such a sweet soul and family. Sending you healing vibes, and sending prayers your way from myself, Vayda and Ivy.*

“ Indeed, Victoria had the biggest heart and made the lives of all those around her so much brighter! Her kindness, noble service, and creativity were evident and made life so much brighter for everyone through her work at Community Living during the covid lock-down. She added sunshine to those dreary days!

At the schools where she worked, she inspired kids with her care and love for learning! We will always be grateful for the difference Victoria made in our lives! 💕

“ Victoria was a true rarity and such a loving and kind human being. She was my son’s babysitter and an instant friend of mine. We’d love hearing her voice as she entered the house saying - Hiiiiii guys and Daaaaax, I’m here! (And she has that voice where you don’t even need to see her - you just feel her smile and joy)

Dax would always run to her and clap and greet her with a hug and a smile. She made us feel so very comfortable and Dax did choose her! Because he felt her warmth instantly as well.

We had a wonderful relationship and she met both sides of our family because she was a very big part of our lives. We made her feel at home because we loved her.

We’d share stories even after Dax went for a nap because we truly enjoyed one another’s company. We’d laugh and I’d hear about her life and everything that 20 somethings did and I’d share learnings from my life with her.

We’ll forever and always miss Victoria because there is no one in this world like her and we mean that from the bottom of hearts. She was so incredibly loving, smart!!!!, funny, kind, empathetic, patient, and down right gorgeous. The smile on her was something else.

We are truly incredibly sorry that she is no longer with us and we will help with anything the family needs to get through this.

Dax always looked at her with a smile and loved every second with her and we will never forget the presence she left in our home and our hearts.

“ Our family only knew Victoria for a short time last summer as she was our child's preschool teacher. She was the kindest person I have ever seen with children and she really took our child under her wing. Our child looked forward to seeing her everyday and would always ask for her as soon we got to school. I truly believe she is up there with all our angel children teaching them and making the smile. May she fly with all the angels now.
