“ Warren and I spent a lot of time together in our teenage years. We attended A.A. Wright together and played minor travel baseball together. On the night of our graduation from high school we went to the Oak's Inn for more than a few celebratory Long Island Ice Teas....lol. I remember time spent playing in euchre tournaments with friends. Always a gentle giant. His laugh was infectious and her was always just very kind. We moved to Hamilton when we both went to school, he at Mohawk and I at McMaster. We would get together to go out for dinner and have a few drinks. Although we didn't see that much of each other over the last 25-30 years, whenever we bumped into each other, it was like no time had passed and we just picked up where we left off. I will miss him. To his family, Wanda & Tom, Ponce and Whitney, my heartfelt sympathy and condolences.
