“ My condolences to family and friends. *Baamaapii gigaawaa-baamin miinwaa nijji* 💕

To those memories when the world remembers,  
I wonder what you're doing again,  
Which from who, I hope you and I, as a whole see,  
I thought of you recently,  
In the morning, just that, it's not you,  
I try to remember you, nothing more,  
Which I hope you really would share my memory,  
I thought of you again,  
When the clock around me, because you're gone,  
Like a song with no lyrics, no one,  
You're all of quiet,  
Enough, I still think of you,  
Yes, when of this.
