“ *Rest in Peace Tante Mientje. My first memory was being asked to be a flower girl at their wedding. I clearly remember her asking me if I wanted to wear a white. I was five and I really did not understand and at first said no and then my mother explained. I then was so excited to have a beautiful dress and to carry flowers. That was a long time ago but I clearly remember this.*

Our thoughts and prayers go out to the family.
