

William 'Bill' DuChene

January 2, 2022

William (Bill) Harvey DuChene, 73, of Wallaceburg passed away peacefully with family by his side on Sunday, January 2, 2022.

William was the son of the late Donald and Phoebe DuChene. Husband to the late Dorothy Carol (Flaxman) DuChene. Loved partner of Rachel Martin. Beloved brother to Peter DuChene (Betty) of Chatham and Nancy DuChene of Wallaceburg.

Beloved father of Amanda Coulter (Jason), Melissa DuChene (Mark), and Josh DuChene (Lauren). Grandfather, Grandpa, Peepa and PAPA to Yuna, Londen, Bennett, Tanner, Rexford, Avery and Edison.

Bill grew up in the town of Wallaceburg. After graduating from Wallaceburg District Secondary School, he moved on to the University of Windsor to obtain his Bachelor of Arts degree in English. Bill received his Bachelor of Education from Western University, where he met Carol, who would become his loving wife.

Bill and Carol planted their roots in Wallaceburg to begin their careers and their family.

Bill's heart was in the classroom and on the basketball court. During his teaching tenure of 40 plus years, Bill was a friend, co-worker, mentor, and coach to many people. Out of the classroom and off the court, Bill loved the outdoors, camping, kayaking, and soaking up the sun. Bill had a way of connecting with people through his quick wit and caring nature. From his Bro to the North to his Wallaceburg friends and colleagues and sitting court-side at

Toronto Raptor games (Karl), he was able to share many adventures and good times.

After losing his spouse, Carol, Bill found a partner (Rachel) with whom he would travel and enjoy retirement for the rest of his life.

Witty to the end, he will be missed and always loved.

The family would like to thank Dr.McElligott, London Health Sciences, CKHA, VON Chatham-Kent, and CK Hospice for their exceptional care. Due to Covid-19 restrictions and Dad's wishes there will be no public service at this time.

In lieu of flowers, the family asks that you make a donation to the Chatham-Kent Hospice of a Charity of your Choice which may be left at HAYCOCK-CAVANAGH FUNERAL HOME, 409 Nelson Street in Wallaceburg

Mr. DuChene was my teacher for three years in row. Grades 5,6 and 7 from 1975 to 1977. And to this day I think of him often. I learned yesterday of his passing and I cried. I wish I had a chance to tell him how much he meant to me. Love you Mr. DuChene.

“ Our condolences to the family, we were so sorry to hear this news. Years ago, we often saw Bill at the mall grocery store with his classes helping them to learn shopping skills. We didn't really know him then but were impressed with the genuine, easy way that he had with his students. We came to know him through the years and appreciated what a fine "gentle-man" he was.

“ I thought a great deal of Bill. I met him many years ago at university where he attended with my husband. He had a great sense of humour and was quick with a comeback! Yet, there was a soft, compassionate side to him. That really shone through when he helped me through the loss of my husband. Stay strong Rachel and peace to the entire family.

“ *I have known Bill for most of my life. I always admired him as a teacher, having taught our daughter. I knew before then, however, of his connection with his students. He was a very kind man, treated everyone as an equal, and gave them all a chance. He in turn was loved by his students. Bill was a true gentleman. He used to walk a lot over the years, and when you met him on the street he would stop and take the time to speak. I was glad to have known him, and I'm sure he made his family proud.*

Our thoughts and prayers go out to the family. May he rest in peace.

“ Bill and I go back to WDSS. We played B’ball there all 5 years His Nick name was Clem and I was Sid Bill was the best player on both the football and basketball teams. No questions about it He was fun to be around. We double dated many times. He was the life of the party During Xmas breaks from university, a group of us would bake cookies at Phoebe’s and then shoot hoops at the school. Always fun to be with. He taught at AA Wright where I went to elementary school. Sounds like he was a legend there. Rest In Peace my friend. You were taken decades too early. Kerry Cairns

Bill was a star athlete and a great teammate. We had five memorable years together playing football for the Tartans. He was always upbeat and positive, and led by example. “ So sad to hear this. Bill was a good friend to me in grade 9 at WDSS before I emigrated to the US. We shared a locker outside of Mr. Jackson's Electric Shop in the new addition. I was a small kid then and he was a giant in my eyes but a very gentle one. I lost touch with him for many years but we reconnected on Facebook several years ago. He seemed to understand and sympathize with my horror at the direction in American politics under the orange fascist. He told me that he was struggling with cancer but that it was under control. My condolences to his spouse, children and grandchildren, and any siblings who are still alive. Rest in peace, Bill. I'll miss our messaging on Facebook.

Hello Mr. Belbeck. You were my teacher for half a year. You remember when I wrote all over my notebook “ I hate Belbeck” When I didn’t hate you really. It was because I got transferred from Mr. Duchene’s class to yours and I was sad to leave Mr. Duchene and my friends. You probably don’t remember anyway. But I never forgot you Mr. Belbeck. “ Our deepest condolences to the Duchene family. Back in the day, Mr. Duchene was one of the "Rock Star" teachers at A.A.Wright. He always had a contagious smile and positive attitude. Inquiring how your the day was going. Providing kind and encouraging words to his students; to put forth their best efforts in studies, personal life and of course sports. Especially basketball! I can't remember how many games of hoops, both in the gym and outside on the court, I have lost to that man?? I've always had the utmost admiration and respect for Bill. He was a true gentleman and he will be sorely missed by all those he's touched throughout his life. Thank you sir.

“ *Bill was an amazing man with a heart of gold. I've been reflecting the last few days of him, and I remembered his cheesy grin to me as I was walking down the aisle. Made me laugh even though I was crying- which he was always able to make anyone do. He taught many students but shared his "wisdom" with the new teachers, like me. When I was struggling he would say you'll figure it out, and I did. I'm lucky to have spent time with him. Just tonight talking to one of our coworkers we were laughing about the jokes he would play or how he could keep up with the students during a staff/student game. He will be missed by his family and Rachel but keep talking and sharing stories about Bill, that's what he'd want. Sending lots of love to you all*

“ So many memories and so much laughter. I am reminded of the camping trips and many back yard ‘throw togethers’. It was a pleasure to share the years as our families grew. Once all the chicks had left the nests, the four of us were stuck playing ‘hink pink’ around the campfire. Rest In Peace.

“ My deepest sympathy to all of Bills family and many friends
My three sons Ian Andrew and Mark were all lucky enough to have
been taught by Bill at AA Wright. In recent years I have had the
advantage of being invited to several family functions where he and
Rachel always made me so welcome. Bill was always very funny
and witty and was so loved by Rex and Tanner, they will miss their
Peepa.
