“ By now I would have received my Christmas card from Bill. Always a beautiful card with a heartfelt, hopeful message filled with many colourful stickers on the envelope and card! Anyone who knew Bill well knows how he loved his stickers!  
There wasn't a time that I saw Bill that he didn't bring a little something as a gift - something he thought about or something Liz handmade with her knitting and crochet talents.  
Bill Steep was a special gentle man who was so thoughtful and kind who always worked hard to build a better society & community for all. Social justice and health & safety were his passion. I will miss you Bill! Please continue to look after us all as we still need you to guide us to a better kinder world!  
Thank you for being in our lives.

“ My deepest sympathy to Bill's family. I met Bill when he attended Labour College. For many years he was President of the Labour College Alumni. He was a dedicated supporter of the Labour College, a committed trade unionist and a strong supporter of the NDP and active in many other worthwhile causes.
