“Pinky!

*You were truly an amazing neighbor that will be deeply missed. Even though you moved out of the neighborhood for sometime now it seem like just yesterday you were out messing around in the yard. We shared the love of summertime competing on who got the biggest flower baskets and where. You always seemed to find the biggest and most beautiful ones. Also, our competition on who was getting the Christmas and Halloween decorations out first in our front yards. I miss your Booming voice from 2 doors down that sometimes I still hear from time to time thru memories. You were always there if we had a question about hockey or lacrosse gear and helped us when boys first started out in these sports giving us some start up gear. You are impossible to forget and will be deeply missed by the Parker Family.*

*Sending heartfelt condolences from our family to yours.”*

*Our heartfelt ❤️ condolences to Deb, Dave, Rob, Chris, Eryn and Families.*
